**COUNTY FISCAL LETTER (CFL) NO. 03/04-47**

**TO:** ALL COUNTY WELFARE DIRECTORS  
ALL COUNTY FISCAL OFFICERS

**SUBJECT:** FISCAL YEAR (FY) 2003/04 AUGMENTATION ALLOCATION  
FOR THE CHILD WELFARE SERVICES (CWS) PROGRAM

**REFERENCE:** CFL NO. 03/04-26 dated August 21, 2003

The purpose of this letter is to provide counties with an augmentation to their CWS allocation due to the recently completed Governor's Budget process. Contingent upon Legislative approval of the FY 2003/04 budget documents, the amounts identified on the enclosed attachment are your revised allocations. Upon approval of the budget documents, counties will be notified that the figures in the provided attachment are final. A total increase of \$13.0 million in total funds is being allocated for the following premises:

As a result of the Rosales vs. Thompson court case, the funds in the Specialized Care Incentives and Assistance Program (SCIAP) were increased by \$453,000 in total funds. The Background Check premise was increased by \$552,000 in total funds to reflect the cost for mandatory Federal Bureau of Investigations (FBI) background check, the updated caseload growth and updated foster care federal discount. Each of these augmentations is distributed based on each county's proportionate share of the total caseload used in the original SCIAP allocation and Background Check allocation. Please refer to CFL 03/04-26, dated August 21, 2003.

Assembly Bill (AB) 636 (Chapter 678, Statutes of 2002) required the department to established the California Child and Family Services Review (C-CFSR) commencing January 2004, for child welfare systems. \$3.7 million in total funds is being allocated to the counties to support the additional administrative responsibilities related to the planning and coordination of the periodic county CWS Self-Assessment and annual System Improvement Plans (SIPs) as required by AB 636. Each county is provided funding based on the recommended methodology from County Welfare Directors' Association (CWDA). The funds were distributed using each county's FY 2003/04 average cost of a social worker, and allocating a quarter of an full-time equivalent (FTE) to the small and Very Small counties, half of an FTE to the Medium counties, one FTE to the Large counties and two FTEs to Los Angeles county. A percent to total of each

county's total cost of the allocated FTEs was used to allocate the \$3.7 million.

In addition, \$8.2 million in total funds is provided to the counties for the additional data requirements associated with the many new mandated activities counties must accomplish to implement the CWS Redesign, the Program Improvement Plan (PIP), and the C-CFSR process. Each county is provided funding based on the recommended methodology from CWDA. The funds were distributed using each county's Family Maintenance, Family Reunification and Permanent Placement caseload, calculating a cost per hour based on each county's FY 2003/04 average cost of a social worker, and assuming an average of one hour per case.

If you have questions concerning this allocation, please contact the County Allocations Unit at (916) 657-3806.

Sincerely,

DOUGLAS D. PARK, Chief  
Financial Management and Contracts Branch
